ALL IN FOR YOUTH

Program Handbook

Land Acknowledgment

Trellis's commitment to reconciliation starts with acknowledging our honour and privilege to live and work within the Treaty 7 territory. We acknowledge the traditional and ancestral territory and oral practices of the Blackfoot Confederacy, which includes the Siksika Nation, and the North and South Piikani Nations and the Kainai Nation. We also acknowledge the other members of Treaty 7 First Nations, the Tsuut'ina and ȩyāñhé Nakoda (Stoney Nakoda) which include Chiniki, Bearspaw and Wesley First Nations. In addition, the City of Calgary is home to the Métis Nation of Alberta (Region 3). Finally, we acknowledge all nations, genders and spirits who live, work and play in Moh'kinstsis, the Blackfoot name for Calgary, and Treaty 7 Region of Southern Alberta who help us steward this land, honor and celebrate this territory.

About AIFY

In partnership with the United Way's All In For Youth (AIFY) Initiative, the Calgary Board of Education and the Calgary Catholic School District, Trellis Success Coaches operate in ten high schools across Calgary, seeking to remove barriers for youth to increase high school completion rates.

Success Coaches collaborate with school administrative and support teams to identify youth experiencing challenges which may prevent them from completing high school, returning to school, and/or successfully transitioning out of high school.

Using a relationship-based, trauma-informed and harm reduction approach, success coaches help youth identify these barriers, create and work to achieve goals, connect youth to AIFY community partner agencies, and ultimately aim to reduce risk factors and increase protective factors for them.

Meet Our Team

Success Coaches

Success Coaches are located directly within Calgary high schools to help youth identify and navigate barriers to completing high school. Success Coaches work in the school full-time during school hours and can work with youth out in the community or on evenings and weekends when planned in advance.

All In For Youth operates year-round, which means that your Success Coach can connect with you over school breaks to help you work toward your goals.

Community Support Coach

The Community Support Coach supports youth for up to six months while they transition into post-secondary, further education, or employment after leaving high school. If you're interested in working with the Community Support Coach as you transition out of high school, your Success Coach will introduce you. Like the Success Coach, the CSC helps youth work towards goals and address barriers to transition into independence. The CSC can also offer the same supports as your Success Coach.

Manager

Oversees the overall operations of the program and all associated staff.

Director

Provides direction and oversight to the program in alignment with other Trellis programs and priorities

Success Coach Support

Your Success Coach will work with you to identify your strengths and any challenges you may be experiencing.

Together, we'll create an action plan to navigate these barriers. We work collaboratively with you, your natural supports, school staff, and community agencies to ensure that you have access to the support you need to thrive. Your Success Coach is here for you along the way to encourage and connect you with other resources.

Success Coaches can offer support in several different areas, including:

- Education and employment goals
- Emotional support
- Transportation
- Accessing a doctor
- Recreational activities
- Referral to mental health and/or addiction supports
- Basic needs (food, hygiene, shelter)
- Free or low-cost clothing
- Student funding
- Life skills
- Tutoring
- Cultural resources
- LGBTQ2S+ resources
- And more!

Participation

Anyone can refer youth to a Success Coach for support. This could be a guidance counsellor, principal, teacher, friend, or family member. All that we require is that the youth is attending an All In For Youth high school and wants to meet with the Success Coach. Our program is completely voluntary!

Your Responsibilities

Youth are asked to be committed to working with their Success Coach. Your coach will work alongside you and at your guided pace, helping to keep you accountable and responsible for progress on your goals.

When out in the community with your Success Coach, we ask that you do not engage in substance or alcohol use.

If we suspect that you are under the influence of drugs or alcohol, we may end the meeting, ensure you are able to keep yourself safe and support a plan to get you to your next destination. If we think there's a risk of harm to yourself or others, we may be required to contact your parent/guardian.

Action Plan

We use a tool called the Youth Acuity Scale to identify goals that YOU want to pursue. This tool is used to help create an action plan with your Success Coach so you can navigate barriers and achieve the intermediate goals that are often the building blocks of success in school and life. As you meet with your Success Coach throughout the semester, you'll collaborate on making this plan together.

Transition & Feedback

Transition

Transition from the program happens at different points for everyone. This could be at the time of graduation, high school completion, when moving to a new school or community, or when moving to a new community support or resource. Because All In For Youth is a voluntary program, youth and their families can choose to withdraw at any time by notifying their Success Coach

Feedback

We want to hear from you!

For us to do a good job, we learn from your feedback. You are the expert and know better than any of us what you need. We are always working to learn more about what we do well and where we can improve, through tools like surveys as well as ongoing conversations with you.

We also regularly report back to the community and to United Way of Calgary and Area, who funds the program, about what kinds of activities we're doing, what's changing through your involvement in the program, and your direct feedback about your experience.

If you want to know more about this, please let us know!
